INTRODUCTORY INFO

The Canadian Lutheran Anglican Youth Gathering (CLAY) is a biennial national event for youth aged 14–19 years old, organized by the Anglican Church of Canada (ACC) and the Evangelical Lutheran Church in Canada (ELCIC). The gathering includes large group worship, speakers and workshops, excursions, activities, entertainment and education. It is held in a different location across Canada every other year. In 2020, CLAY will be held at the Southern Alberta Institute of Technology (SAIT) in Calgary, Alberta from August 20–23. Registration will take place Thursday afternoon, along with an afternoon Welcome Event, a CLAY 101 information session, followed by dinner, the first Large Group Gathering (LGG) and ending the first day with a choice of Late Night Spots.

Everyone attends CLAY as a member of a Home Team—this is a group of young people from a congregation, parish, diocese or other organization, led by a Primary Home Team Leader (PHTL). Along with the PHTL, a Home Team includes up to eight youth and may include an additional Home Team Leader (HTL) or a Leader in Training (LIT) that their community sends along with them. If your community has more than eight youth (or more than ten people in total), an additional Home Team would need to be formed (under the leadership of a new PHTL) or you could partner with another congregation's/parish's group.

PARTICIPANTS

PRIMARY HOME TEAM LEADERS (PHTL)

Every PHTL must be endorsed by a faith community. The faith community may be a congregation, parish, diocese or another organization recognized by the ELCIC or the ACC. PHTLs are responsible to their endorsing community and to the Chairperson of the National Planning Committee (NPC) through the HTL Coordinator. The HTL Coordinator is a member of the NPC. A Community Endorsement Form is required to be signed by an official representative of the endorsing community, such as the Church Council Chairperson or the Warden, and is available for download on the CLAY website. Each PHTL is required to sign a Home Team Leader Agreement Form, which is also available for download on the CLAY website. It is recommended that the PHTL be someone who is 25 years of age or older, but all PHTLs must be at least 24 years of age by the time of the gathering. Every Home Team must have a PHTL.

NOTE: *With the endorsement of their local congregation/parish, and with the permission of the CLAY Registrar, leaders younger than 24 may be permitted as PHTLs. The potential PHTL should contact the Registrar for information on how to request an exception.*

HOME TEAM LEADERS (HTL)

HTLs are adults on a Home Team in addition to the PHTL. HTLs are responsible to their endorsing community and to the Chairperson of the NPC through the HTL Coordinator. HTLs must also sign a Home Team Leader Agreement Form, which is available for download on the CLAY website. It is recommended that HTLs be at least 21 years of age by the time of the gathering.

LEADERS IN TRAINING (LIT)

Groups are welcome to bring a LIT as part of their Home Team. These participants should be at least 19 years at the time of the gathering and are encouraged to shadow the HTLs as they prepare for and lead their Home Team. LITs are welcome to attend all HTL meetings at the gathering.

YOUTH

The CLAY gathering is designed for youth participants who will be 14–19 years of age by December 31, 2020; that is, born between 2001 and 2006. To come to the gathering, you must meet the age criteria, be part of a registered Home Team, pay the registration fee, and complete a Youth Participant Permission Form, which is available for download on the CLAY website.

***NOTE:** With the endorsement of their PHTL and their local congregation/parish, and with the permission of the CLAY Registrar, youth who will be 13 years old (born in 2007) may be permitted to attend the gathering. PHTLs who wish to register a 13-year-old should contact the Registrar for information on how to request an exception.*

The CLAY Crew

The CLAY Crew is made up of youth, selected from across Canada, aged 18-21 (by December 31st of the gathering year). They take on a specialized role at the gathering, becoming involved directly in leading and supporting various aspects of CLAY, while also having the opportunity to participate in many of the usual gathering activities.

Each interested youth applies as an individual (NOT as a group) to be in the CLAY Crew. Members of the CLAY Crew will work in one of the main areas of the gathering:

- Worship and Special Events
- Stage Production and Technical Support
- Communication and Media
- Event Planning, Registration and Administration
- Creative and Performance Arts Support

Costs for participating as a member of CLAY Crew:

- Discounted registration costs
(which include accommodations and meals from August 18–24, 2020) - **\$255**
- Travel costs to and from Calgary

As you are asked to arrive earlier and stay later, costs associated with your CLAY Crew time in Calgary, will be covered. This will include the cost of your meals and accommodations for the dates prior to the Gathering, August 18–20 and the dates following the Gathering, August 23–24.

Deadline for applications is **December 1, 2019**. In the case that a youth's application is not accepted for the CLAY Crew, they will still be able to register with their church as a regular youth participant or a leader in training.

For more detailed information regarding participation on the CLAY Crew and to complete the application form, visit claygathering.ca or contact the CLAY Crew Coordinator (Monica Sourial) at: monicasourial96@gmail.com .

ACCOMMODATIONS

HOUSING AT THE GATHERING

We are excited to announce that accommodations at the CLAY 2020 gathering will be in the residence buildings at SAIT, right in the heart of all the action!

Your registration fee includes your accommodations starting Thursday, August 20 with check-out on Sunday, August 23. Complete your registration early to reserve your Home Team's space!

In making the room assignments within the residence, we will make every effort to keep PHTLs, HTLs and LITs as close to their Home Team members as possible, and we follow best practices with regard to safe room assignments (for example, Youth and Leaders will not be assigned beds in the same room).

Please enter preferences and any other pertinent information we will need when assigning roommates in the Comments section of the registration form. Residence space is limited at this venue; however, we will try our best to accommodate rooming preferences.

Given our desire to maximize participation and our mandate to provide a safe space for every participant, CLAY reserves the right to make room assignments. In some cases, it may be necessary to share space with members of other Home Teams. The Registrar will work with HTLs to confirm these arrangements.

Requests to be placed near another Home Team will be accommodated where possible. Please list the Home Team Number of the group (if they have already registered and received their number) or its PHTL's name in the Comments section of the registration form.

WHEN TO ARRIVE

PHTLs can drop in to register their Home Team at their leisure between 1:30 p.m. and 4:30 p.m. on Thursday. A welcome event will begin at 3:30 p.m. Dinner on Thursday is included in your registration fee, which will be followed by the first large group gathering (LGG).

Planning a bus trip to CLAY? Let our Registrar (Heidi Van Schaik) know your plans so that we can stay in touch at registrar@claygathering.ca

ARRIVING EARLY OR STAYING LATE?

If you are planning some additional holiday time prior to or after the gathering (which we highly recommend—this is a beautiful part of the country!), you will be responsible for all of your own arrangements, including accommodations.

The SAIT Residence is available to CLAY Home Teams for additional nights before and/or after the gathering at a cost of **\$45** per person per night. This rate includes breakfast. You can check-in as early as Sunday, August 16 and check-out as late as Monday, August 24. You will be asked at the time of registration to indicate your arrival and departure dates. The additional accommodation fees will be calculated based on the number of nights you will be staying at the residence. Payment will be made when the rest of your fees are due.

MEALS

All breakfasts, lunches and dinners, from Thursday's dinner to Sunday's lunch, are included in the registration fees. Meals will be cafeteria style.

Please ensure that each person within your Home Team indicates on their registration any special dietary needs or food allergies, so that they can be accommodated during the gathering.

AIR QUALITY

Given the unpredictable nature of the summer air quality in Calgary due to frequent wildfires in the surrounding areas, the NPC will be planning alternative activities for any scheduled outdoor events, should the need arise. However, all participants, especially those with asthma or other respiratory conditions should be aware and prepared for the possibility of poor air quality.

T-SHIRTS

Your registration fee includes a CLAY 2020 t-shirt for each participant, so make sure you include your t-shirt size on the online registration form. T-shirts will be available for pick-up at the registration desk in Calgary (no exchanges will be made).
