## Rap/Spoken Word (Same Chords As Intro & Verse)

Standing at the crossroads this is what my life is  
A railroad, snapshot, would you picture this?  
The high road? No, gotta reload  
The abyss, near miss, candy kiss, no bliss

The ashes left over from the explosion  
The acid burn bring the corrosion  
The unload? No, gotta reload  
Reminisce, superfice, candy kiss, STOP!

Pop, pop, pop, sparks fly, getting unpredictable  
Drop, drop, start a fire, this is not invincible  
Chop, chop, look around, season is transitional  
The premiss, k-swiss, hits, fits, Genesis

### Rap/Spoken Word Ctd...
